

Celebrating Innovation: VAGDEVI VILAS SCHOOL

at the INSEF Regional Fair

Students of Vagdevi Vilas Institutions showcased their remarkable talents and innovative projects at the INSEF Regional Fair, organized by the Science Society of India, on November 16, 2024, at Shishu Griha School in Bangalore.

This annual event highlights the creativity and scientific acumen of young minds, and this year was no exception. The students demonstrated exceptional skills, earning recognition in various categories, including Gold, Silver, and Bronze medals, as well as Honourable Mention Awards.

Celebrating Innovation: VAGDEVI VILAS SCHOOL at the INSEF Regional Fair

Gold Medal Winners

R. Raghav from the 8th grade VVSM received the prestigious Gold Medal for his project titled “Epileptic Seizure and Health Risk Monitoring System.”

This innovative system is designed to monitor health risks associated with epileptic seizures, showcasing Raghav's commitment to improving the lives of individuals affected by this condition.

His work not only reflects scientific rigor but also a deep sense of empathy and social responsibility.

Honourable Mention Winners

In addition to the medals, several projects received Honourable Mentions, recognizing the hard work and creativity of the students.

Inchara Umesh Nimbargi and Veda M Sajjana Shettar of 9th grade VVSM showcased their innovative “Safety Pendant: Design and Construction of Safety Device Jeweller.”

Charishma S Reddy and Rishmika C (Std IX), VVSV: Their project, Silk Straight Naturals: A Natural Way for Frizz-Free Straight Hairs, promoted natural hair care solutions.

Dhriti (Std VII), VVSW: Her project, Fasten the Future, aimed at enhancing safety in everyday objects.

Celebrating Innovation: VAGDEVI VILAS SCHOOL at the INSEF Regional Fair

Honourable Mention Winners

RSV Sai Prasadh and Sarvesh of grade 8 VVSM developed the “Smart Manhole Sewer Lid,” a project that addresses urban infrastructure challenges.

Suchitha P Achary of grade 6 VVSM worked on “Extraction and Characterization of Pineapple Silk Fibre,” exploring sustainable materials.

Ashutosh Das and KS Yuvanesh of grade 8 VVSM presented “Pure Exhaust Guard,”

M Tharun and G Nishant Reddy (6th grade, VVSM) created “Natural Hue Crayons,” emphasizing eco-friendly art supplies.

Celebrating Innovation: VAGDEVI VILAS SCHOOL at the INSEF Regional Fair

The success of Vagdevi Vilas School at the INSEF Regional Fair not only highlights the students' innovative capabilities but also their dedication to addressing real-world challenges through science and technology. Each project reflects a unique blend of creativity, research, and social awareness, setting a commendable example for peers and aspiring young scientists. This event serves as a reminder of the importance of nurturing innovation in education, and encouraging students to think critically and creatively about the world around them.

You don't have to be Great to start, but you have to start to be Great - Zig Ziglar
